YOUR LOCAL COMMUNITY SPEED WATCH NEEDS YOU!

Devon & Cornwall Police
SPEED WATCH
www.devon-cornwall.police.uk/roadsafety

Community Speed Watch (CSW) sees proactive members of the public trained by police to record details of speeding vehicles using specialist equipment. Speed watch is undertaken in 20, 30 and 40mph areas. Volunteers are highly visible to encourage drivers to be more speed aware. Speeding drivers are contacted - initially by letter - explaining the potential consequences of their behaviour.
