Kingskerswell Parish Council

Investment Strategy 2026 - 2027

Working with the community

This 2026 – 2027 Investment Strategy sets out the Council's immediate priorities, with a focus on community wellbeing, environmental sustainability, responsible economic development, and the protection and enhancement of the Parish's heritage and assets.

This provides a clear and practical framework to guide decision-making and investment activity over the coming financial year, establishing core principles for managing and allocating funds, ensuring transparency, accountability and prudent financial management.

The Strategy supports a measured approach to investment, aligned with the Council's statutory responsibilities and risk profile.

This document provides structure and direction while allowing for future refinement. It will inform the development of a longer-term strategic vision, enabling the Council to build on experience and deliver sustainable benefits for the community over time.
