Pavilion Club Report for committee meeting on Tuesday 15th June 2026

Pavilion Manager -

Pavilion bookings

April 2026 – 3 bookings £65 – open/closed themselves.

May 2026 – 8 bookings £215 – open/closed themselves.

June 2026 – 2 bookings £45 – open/closed themselves.

In 8 weeks we made £325.

No accidents to report.

Pavilion bar events – we have KCFC presentation day on 20th June, Baseball 10th Anniversary Celebration on 5th July, Services day on 26th July & our family fun day on 15th August.

Requested at the 14th of April meeting –

The sheds were checked & equipment has still been left plugged in & switched on (I have unplugged everything including the charger connected to line maker) – can you please ensure everything is unplugged & switched off when not in use, especially when no one is here as it is a fire hazard.

PAT testing needs to be undertaken on any equipment kept/used in the sheds/pavilion ASAP, a copy of the certificate will need to be provided – **still waiting for this**. **This needs to be done by 17th July, if this is not done by then you will not be able to use your equipment here.**

Still waiting for cricket to clear the first shelving unit on the left in the concrete/brick shed so football, baseball, cricket & the parish council can store any hazardous substances on their individual shelve – petrol, white spirit, line market etc by the next meeting – **it has been 9 weeks since we requested you to undertake this, you will have until 17th July to do this, after this time we will clear the shelves.**

Green chairs – that are in the football shed can these be put into the cricket shed (for the beginning of May) so they can be used for everyone – (Vivek Kulkarni agreed for the chairs to go in the middle shed on the left hand side.) **- still waiting for this to be undertaken, 10 chairs need to be moved & the 4 broken ones need to be replaced please – you have until 17th July to do this, if it is not done by then, we will do it our selves, also dispose the broken chairs. If you do not replace them we will purchase some & send you the bill.**

Pavilion tables & chairs are not to be used on the field, you can use the benches that are on the patio (please do not move – very heavy) & the green chairs that will be in the middle shed.

Please do not leave food waste in the bins in the changing rooms, we came in today with an army of ants from the bin in the away changing room by the double doors in the main room.

Report from Kerswella

"Our weekly Tuesday cafe sessions continue to be well supported and run smoothly. This is only possible due to our wonderful volunteers who give their time freely, on a rota, ensuring we can open each week. Also thanks to Cara (& Juliette in Cara's absence) for keeping the cafe well stocked and everything in order.

We had a very busy Tuesday in the May half-term holiday, as the weather was so nice, with lots of families in the park and the first ice creams of the year were sold!

We're very much looking forward to the completion of the extension to the paved area where our customers will enjoy making use of the outside seating area throughout the year.
This summer will be our 5 year anniversary of our running the cafe so on 28th July we'll have a bit of a celebration. Possibly a cake stall, balloons, activities for children etc.
We're also supporting the summer event on 15th August with a teddy tombola, lucky dip and name the bear activity!"

Report from Colts

The KCFC 25/26 season has now completed.

It was another great year for the club and for all the players and volunteers. It was great to see the playing field in full swing each Sunday morning with Children ages 6 to 15 enjoying their football.
The cafe was open almost every Sunday and will also be open again each Sunday when the new season starts.
Below are points we wish to raise and make you aware off.

1. Club presentation will start 11am and be finished by 6pm Saturday 20.6.26 I have requested bar open from 11.30am I believe.

2. please can we request that the playing field pitches and pavilion are block booked for our new season that will start Sunday September 6th, 2026, and completes 30th May 2027
From 7am until 3pm each Sunday.

3.As above the cafe will open every Sunday when possible next season with the same volunteers as this season.

4.We have had reports of baseballs getting close to areas that we agreed to use to be far enough away from were they train, Tuesdays and Thursdays.
I am speaking with Charlie direct on things like this.

5.Our pitch repairs commence this month on the main pitch and bottom pitch next to muga so there will be areas of the field fenced off to the public.

6.Teams will still be training most weeks on the field but any teams due to have a break I will inform you if there are any nights not required.
